**2: APPOINTMENT OF STANDING COMMITTEE**

It was agreed the following posts would be automatically on the Standing Committee:

The following Lay Person was elected to the Standing Committee by the PCC:

It has originally been agreed at a previous PCC meeting, the PCC would meet six times per year with the Standing Committee. This meeting made a slight amendment to that arrangement. It was agreed that the PCC would still meet six times per year however, the Standing Committee would not meet on a set basis to allow time for any set PCC work to be carried out and that the Standing Committee would only meet if there was an urgent piece of work.

**3: DATES OF PCC MEETINGS**

These would be set and issued in due course
