### **1. PROPOSAL TO SELL PARISH MINIBUS**

The parish minibus has been gradually been requiring more work each year and it is likely to fail its MOT this year.

#### Statement from Parish Treasurer:

Derek Sorrell tells me he has an offer from a prospective buyer offering £1250 which he believes is a very good price and more than he would have expected.

I have canvassed Kennington LLT as Kennington is the main user but the following facts are relevant: they have voted unanimously to sell.

The Kennington Drop-In which was the only regular weekday use (once a week on a Monday) will not be re-starting post lockdown. Numbers have dwindled, the current leader is 90+ and no-one else is willing to take it on.

Numbers of passengers for Sunday services have dwindled

The team of drivers and helpers has dwindled

Nathan Wilson has left his post as Team Missioner: he was the driving force behind the project to source wider usage. The other person involved in this is not willing to proceed alone.

All this adds to the fact that the vehicle in its present state has reached the end of its useful life with us.

To sell the parish minibus for the value of £1,250
